

# Garden HOUSE

**The Garden House** is built almost entirely from bamboo and sleeps 4 people in 1 kingsize and 1 queensize bedroom. Ideal for a family or 2 couples, it has a well equipped kitchen, a cosy lounge, a bathroom (with another separate WC and basin upstairs), and the added extra of an outdoor hot tub. It shares a private gate with the Beach Suite, allowing extra security, and is only 150m. from the beach. From the outside it looks like a Wendy House, with vermillion walls and a pointed bamboo roof; inside furniture is built from treetrunks and clad in bright linens. Intimate and quirky.
